Preference in the available weekly hours of work shall be given to senior part-time employees within their department, insofar as this is consistent with their availability.

29.03 The Employer shall retain a copy of the work schedule for a four (4) week period. A full-time Union representative of the Union will be permitted to review the work

schedule with the Store Owner/Manager or his/her designate in an effort to resolve any complaints. In either event, they would return to their previous position and wage rate without loss of seniority.

30.02 In the event a full-time employee's status is changed to part-time, the employee's part-time seniority date will be based on the length of his/her continuous full-time employment with the Employer in the store since the employee's most recent date of hire.

SECTION D – WAGES

A. Full-time employees wage grid:

All full-time employees on the payroll as of the date of conversion shall receive the following general wage increase:

Effective the first full pay week following the 1st Anniversary –thirty (30¢) cents per hour

Effective the first full pay week following the 2nd Anniversary –thirty (30¢) cents per hour

These monies will be applied only to the end rates of the full-time wage progression. For clarity, only those employees hired prior to the date of conversion will receive the wage increases on the above-mentioned date. Employees hired after the date of conversion will not receive the above-mentioned increases unless they are at the end rate.

In the event that a general wage increases results in an employee being on an “off-rate” within his or her classification, it is understood that the employee will still have to acquire the appropriate service to advance on the existing full-time wage progression.

Minimum Rates of Pay for Full-time Employees	
Clerks	
Start	\$11.32
6 months	\$11.39
12 months	\$11.46
18 months	\$11.53
24 months	\$12.00
30 months	\$13.00
36 months	\$15.75

Where an employee is assigned to perform the majority of the duties of a position not set out in the Collective Agreement then the full-time employee so assigned shall receive their own rate of pay plus a premium of one (\$1.00) dollar per hour for each hour worked. For clarity the majority of duties means half the duties or more. It is understood that this provision shall apply for temporary assignments of more than three (3) days in a calendar week. Temporary assignments when filled will be filled by seniority provided the senior employee has the qualifications and the ability to perform the work.

Notwithstanding the wage progression for full-time employees, where there is an increase in the Provincial minimum wage rate the start rate will be minimum wage. The rates above the affected start rate will be increased, if necessary, to create a five (5¢) cent spread between that rate and the rate immediately below that rate.

B. Part-time employees wage grid:

On the 1st anniversary of this Collective Agreement all part-time employees who were on the payroll as of the date of conversion shall receive the following general wage increase:

Effective the first full pay week following the 1st Anniversary – twenty-five (25¢) cents per hour

Effective the first full pay week following the 2nd Anniversary –twenty-five (25¢) cents per hour

Ten (10¢) cents of these monies will be applied to the end rates of the part-time wage progression. For clarity, only those employees who were active on the payroll as date of conversion will receive the wage increases on the above mentioned dates. Employees hired after that date will not receive the above-mentioned increases.

In the event that a general wage increase results in an employee being on an "off-rate" within his or her classification, it is understood that the employee will still have to acquire the appropriate service to advance on the existing part-time wage progression.

Minimum Rates of Pay for Part-time Employees	
0-300 hours worked	\$11.32
301-650 hours worked	\$11.39
650-1300 hours worked	\$11.46
1301-1950 hours worked	\$11.53
1951 – 2600 hours worked	\$11.60
2601 – 3250 hours worked	\$11.67
3251 – 3900 hours worked	\$11.74
3901- 4550 hours worked	\$12.00
4501 - 5200 hours worked	\$12.25
5201 – 5850 hours worked	\$12.50
5851 – 6500 hours worked	\$12.75
6501 + hours worked	\$13.50

Notwithstanding the wage progression for part-time employees, where there is an increase in the Provincial minimum wage rate the start rate will be minimum wage. The rates above the affected start rate will be increased, if necessary, to create a five (5¢) cent spread between that rate and the rate immediately below that rate.

The Employer will to the extent practicable and where it will not interfere with the efficient operation of the business, allow a full-time employee who requests to opt out of night stocking work and move to the day shift (defined for the purpose of this section as generally hours during which the store is open for business) after a minimum of three (3) months on nights. Said employee will be allowed a minimum of three (3) months on days before being re-assigned to nights.
