Regina, Saskatchewan hereinafter referred to as the Union

OF THE FIRST PART

AND: FEDERATED CO-OPERATIVES LIMITED, body corporate incorporated by
special Act of the Legislature of Saskatchewan, having its Head Office at the City
of Saskatoon, in the Province of Saskatchewan, hereinafter referred to as the Co-
operative

OF THE SECOND PART

ARTICLE 1 - PURPOSE

In consideration of the mutual value of joint discussions and negotiations on all matters pertaining to employer-employee relations, the parties hereto agree that the purpose of this Agreement shall be to set forth terms and conditions of employment, relating to rates of pay, hours of work and other working conditions affecting the employees covered by this Agreement and to provide for a means of settling disputes and grievances of such employees.

ARTICLE 2 - RECOGNITION

1. The Co-operative agrees to recognize the Union as the sole collective bargaining agency for the employees covered by this Agreement and hereby consents and agrees to negotiate with the Union, or its designated bargaining representatives, in any and all matters affecting the relationship between the Co-operative and the employees. The Co-operative also agrees that the Union may have the assistance of a representative of the Saskatchewan Joint Board, Retail, Wholesale and Department Store Union in any negotiations or discussions between the parties to this Agreement.
2. Notwithstanding the above, the Union recognizes that the Co-operative through its Board of Directors reserves the right to direct and control the operations of its business, provided that this right shall not violate or avoid any terms of this Agreement.
3. The Union recognizes the responsibility of its members to faithfully and diligently perform their respective duties for the Co-operative and will, at all times, carry out their individual responsibilities according to the regulations, methods and procedures established by management, subject to the provisions of the Agreement.
4. The Union recognizes the importance of employees to support retail co-operatives, and thereby encourages employees to actively support retail co-operative organizations through membership and purchases of their merchandise and services.

ARTICLE 3 - MANAGEMENT RIGHTS

1. The management of the Co-operative and the direction of the working force, including the right to plan, direct and control operations; to maintain the discipline and efficiency of the employees and to require employees to observe the Co-operative's rules and regulations; to hire, lay off or to assign employees' working hours; to suspend, transfer, promote, demote, discipline and discharge employees for proper cause, are to be the sole right and function of management.
2. The foregoing enumeration of management's rights shall not be deemed to exclude other functions not specifically set forth. The management, therefore, retains all rights not otherwise specifically covered in this Agreement.
3. In exercising the above rights, the Co-operative shall act in good faith and shall not evade or alter any of the specific provisions of this Agreement.

ARTICLE 4 - SCOPE

This Agreement shall cover all employees of the Regina Region of FCL employed in their places of business in the City of Regina, except the following:

Associate Vice President, Director, Managers, Supervisors, Co-ordinators, Confidential Secretary, Sales Specialists, Advisors, Drafting Technologists, and those excluded by the Saskatchewan Employment Act.

ARTICLE 5 - CLARIFICATION OF TERMS

The use in this Agreement:

1. **Gender neutral terms should apply to any person or persons covered by this Agreement.**
2. The word employee or employees shall mean any person or persons covered by this Agreement.
3. For the purpose of applying appropriate legislation, the word Co-operative will be construed as meaning the Employer.

ARTICLE 6 - UNION EMPLOYEE SECURITY

1. Every employee who is now, or hereafter becomes a member of the Union shall maintain **their** membership in the Union as a condition of employment. Every new employee whose employment commences hereafter shall make application on the official Union membership application form within ten (10) calendar days of the date of employment, and shall become a member of the Union within thirty (30) calendar days of this date and shall maintain **their**

membership in the Union as a condition of employment, provided that any employee in the appropriate bargaining unit who is not required to maintain **their** membership in the Union shall, as a condition of **their** employment, tender to the Union the periodic dues uniformly required to be paid by the members of the Union. The Co-operative agrees to retain in its employ within the bargaining unit as outlined in Article 4 of the Agreement, only members of the Union in good standing.

2. All present employees who are eligible, but not now members of the Union, shall immediately apply for and maintain membership in the Union as a condition of employment.
3. The probationary period for new employees shall be for six (6) continuous months of employment. An employee who has successfully completed **their** probationary period will have **their** seniority date established from the date **they** last commenced employment and shall be considered a permanent employee. **Time lost by a probationary employee for personal or health reasons shall be added to the prescribed probationary period.**
4. The Co-operative has the right, after discussion with the Union, to terminate the employment of any employee who is not insurable under The Crime Insurance section of the insurance policy maintained by the Co-operative.
5. The Co-operative agrees that it will not discriminate against any employee because of Union activity.
6. Employees have the right to have a shop steward present or in the event the shop steward is unavailable, the Chief Shop Steward, or President of the Local Union present, when an employee receives a written reprimand that is to be entered into an employee's file, or during the discussion of an employee's job review under Article 21 (2) or when an employee is suspended or dismissed.
7. Employees shall be provided with copies of letters of reprimand at the time such documents are to be entered into an employee's personnel file.
8. Employees may view their own personnel file in a place designated by the Human Resources Department.
9. The Co-operative agrees that any Letter of Reprimand shall be removed from the employee's personnel file after thirty (30) months from the date of issue except in cases involving violence in the workplace, harassment or major safety violations. This time period of thirty (30) months shall not include periods of lay-off, leave of absence or disciplinary suspensions.

It is understood that should any employee receive a Letter of Reprimand for the same or similar offence during said thirty (30) month period, the employee will then be required to

wait a further thirty (30) months before the Letter of Reprimand is removed from **their** personnel file.

ARTICLE 7 - DUES CHECKOFF

1. The Co-operative agrees to deduct Union dues from the wages due to each employee, and to pay same to the person designated by the Union. It is further agreed that initiation fees and assessments of employees shall be deducted and paid in a like manner subject to direction from time to time from the Union. Such deductions shall be accompanied by a list of Union members from whom the deductions have been made including the number of hours each member has worked in that reporting period.
2. Employees hired by the Co-operative shall be requested by management to fill in the Union application card on the day other employment documents are filled out.

ARTICLE 8 - SENIORITY

1. Seniority of an employee shall be established from the date an employee last enters the service of the Co-operative.
2. All seniority rights shall be forfeited when:
 - (a) An employee's services are terminated by the Co-operative and **they are** not reinstated;
 - (b) An employee voluntarily leaves the service of the Co-operative;
 - (c) An employee upon recall after layoff fails to report within the limits prescribed in Article 12 - Recalls;
 - (d) An employee has been on continuous layoff from active employment for a period of twelve (12) months.
3. The Co-operative will prepare and post in January of each year a list of the names of all employees showing their job classifications, and seniority standing as to the length of service. In case of a dispute as to authenticity of such lists, the Union shall have access to any necessary personnel records that may be required to establish an employee's seniority status. A copy of the seniority list will be forwarded to the Union office at 1233 Winnipeg Street, Regina, Saskatchewan.
4. Protest with regard to seniority standing must be submitted in writing within thirty (30) calendar days from the date seniority lists are posted. When proof of error is presented by an employee or **their** representative or by the Co-operative, such error will be corrected and when so corrected the agreed-upon seniority date shall be final.

5. If an employee is absent from work without pay because of layoff, **they** shall retain the seniority accumulated during periods of employment only. Seniority will continue to accumulate during leave of absence for a non-industrial accident and extended sick leave, **for a period of up to one calendar year.**

ARTICLE 9 - PROMOTIONS AND VACANCIES

1. With respect to any new position or vacancies, notice of such positions or vacancies shall be posted in places accessible to all employees. A period of at least seven (7) working days shall be given employees to make applications in writing for all such positions. Vacancies and new positions shall be filled on the basis of merit, ability and seniority; where merit and ability are comparable and sufficient, the senior employee will be selected. Employees who are going to be absent from their place of employment may, prior to their leaving, apply for specific job vacancies that might occur during their absence. The decision to hire an outside applicant for a vacancy will not be made until the posting period for such vacancy has elapsed.
2. No employee shall suffer any reduction in **their** position through another employee being transferred into a department for training purposes.
3. An employee having accepted a new position shall be allowed up to three (3) months in which to prove **themselves** capable of filling the position concerned. If such employee does not perform the duties satisfactorily within that time, or the employee within that time decides not to continue in the new position, the employee shall be reverted to the position held just prior to the acceptance of the new position. If it appears to the Co-operative that such employee is incapable of performing the duties satisfactorily, **they** may be required to revert to **their** former position before the expiration of three (3) months.
4. An employee upon being promoted to a position calling for a higher rate of pay shall be paid at an increment step in the wage range which is higher than **their** previous wage, but in any event the increase shall not be less than fifteen cents (\$0.15) per hour or an amount equal to the next increment due in **their** previous range, whichever is the greater.

ARTICLE 10 - TRANSFERS

No employee can request a transfer from one department or from one position to another based on **their** seniority until **they have** served at least six (6) months in **their** present department or position unless the transfer can be mutually agreed upon by the Union and the Co-operative. The above will be reduced to three (3) months in situations where laid off employees exercise or have exercised bumping rights.

ARTICLE 11 - LAYOFFS

1. When reducing staff, senior employees', **merit, skill and** ability being sufficient to handle the job to be filled, shall be retained. Employees laid off on account of reduction of staff

shall be returned to service in order of seniority, ability being sufficient to handle the job to be filled.

2. Unless mutually agreed between the Co-operative and the Union, employees will not be required to use annual vacations to avoid layoff.

ARTICLE 12 - RECALLS

1. When it is necessary for the Co-operative to recall employees, it shall notify the Union and then notify those employees by registered mail addressed to the last known address. The employees concerned shall notify the Co-operative and the Union that they shall return to work within fifteen (15) calendar days of the date of mailing notification. However, if an employee fails to report within fifteen (15) calendar days of mailing such notice and does report within thirty (30) calendar days showing good cause for failing to report within fifteen (15) calendar days, **they** shall then be notified of the next vacancy and **their** seniority shall still be retained. Failure of the employee to reply to recall notice, except in case of recalls for periods of thirty (30) calendar days or less, shall cause all rights to recall to be forfeited.
2. It is agreed that in order for the employees to benefit by the above clause they shall leave their address with the Co-operative and the Union and notify the Co-operative of any changes of address thereafter.

ARTICLE 13 - TERMINATION OF EMPLOYMENT

The Co-operative shall give employees other than temporary employees, written notice, or pay in lieu of notice, in case of layoff or discharge except for just cause as follows:

- (a) After three (3) months' service and up to one (1) year's service - one (1) week's written notice or pay in lieu of notice.
- (b) After one (1) year of service and up to three (3) years' service - two (2) weeks' written notice or pay in lieu of notice.
- (c) After three (3) years' service and up to five (5) years' service - four (4) weeks' written notice or pay in lieu of notice.

- (e) After ten (10) years' service - eight (8) weeks' written notice or pay in lieu of notice.

For the purposes of this Article, pay in lieu of notice shall be at regular rates, exclusive of overtime.

ARTICLE 14 - GRIEVANCE PROCEDURE

1. (a) During the life of this Agreement there shall be no strike, slowdown or work stoppage on the part of the Union, nor shall there be a lockout on the part of the Co-operative.
- (b) The Union agrees not to call a meeting of its members who are employees of the Co-operative during any hours which will interfere with the normal operations of the Co-operative.
2. (a) Notwithstanding the provision below, employees are encouraged by the Co-operative and the Union to first discuss their complaint with their immediate management supervisor.
- (b) An employee who feels that **they have** been unfairly treated must take up **their** complaint with the Shop Steward within fourteen (14) calendar days of the event giving rise to such complaint and together they shall discuss the complaint with a member of the Human Resources Department and the immediate management supervisor who must render a decision within three (3) working days.
- (c) If a satisfactory settlement cannot be reached under Clause 2 (b), then the complaint becomes a grievance and must be submitted in writing within three (3) working days to the Department Manager concerned, who must render a decision in writing within three (3) working days or any longer period which may be mutually agreed upon.
- (d) If a satisfactory settlement cannot be reached under Clause 2 (c), then the grievance shall be submitted in writing within fifteen (15) calendar days to the Home Office Labour Relations Manager of the Co-operative who must render a decision within seven (7) calendar days or any longer period which may be mutually agreed upon. **The Home Office Labour Relations Manager may at their discretion set a meeting to hear the grievance, prior to rendering a written decision.**
- (e) If a satisfactory settlement cannot be reached under Clause 2 (d) then upon request of either party within seven (7) calendar days, the matter may be referred to an arbitrator established by Article 15.
- (f) The Co-operative agrees to accept a grievance as being valid when the Union brings forth a grievance in situations where the employee feels **they are** wronged but does not wish to file a grievance for various reasons.
- (g) In the event of a dismissal or suspension exceeding three (3) working days, the grievance procedure will commence at Section 2(d).
3. After the completion of any step in Section 2 of Article 14, if the aggrieved party does not proceed to the next step within fourteen (14) calendar days, or any longer period that may be mutually agreed upon, the grievance shall lapse.

4. All negotiations with regard to grievances shall be dealt with during working hours and no employee or employees representing the Union shall suffer loss of pay by reason of time spent investigating grievances or in discussion of same with representatives of the Co-operative.

Notwithstanding the previous paragraph, any grievance which has been outstanding for more than three (3) months since the date the grievance was filed, shall be forfeited and waived, unless an Arbitrator has been named and appointed in accordance with Article 15 and the date of the hearing has been set by the Arbitrator.

ARTICLE 15 – ARBITRATOR

1. Any grievance presented under Article 14 of this Agreement that cannot be settled by representatives of the Co-operative and the Union may be submitted to an Arbitrator at the request of either party.
2. The parties shall select a mutually acceptable person to act as an Arbitrator. If agreement cannot be reached in respect to the appointment of an Arbitrator within seven (7) calendar days or a longer period mutually agreed upon, the parties shall then refer the matter to the Minister of Labour who shall appoint an Arbitrator.
3. Grievances taken before an Arbitrator shall be submitted in writing and shall specify clearly the nature of the grievance.
4. An Arbitrator selected pursuant to this Article shall meet with and hear evidence from representatives of the Co-operative and the Union, and **they** shall then render a decision in writing which shall be final and binding on both parties to this Agreement. It is distinctly understood that the Arbitrator is not vested with the power to change, modify or alter this Agreement in any of its parts, but may only interpret the provisions of this Agreement on all arbitrable matters.
5. The expenses and remuneration of the Arbitrator shall be borne equally by the Co-operative and the Union.

ARTICLE 16 - EMPLOYEE BENEFITS

Section 1 - Superannuation

An employee shall become a member of the Co-operative Superannuation Society Pension Plan (CSS Pension Plan) after two (2) years of employment. Employees will have the option at the time of hire to elect to join the CSS Pension Plan after one (1) year of employment.

The level of contribution to CSS shall be 6% of earnings. It is understood that the employee's contribution shall equal the Co-operative's contribution. It is further understood that the Co-operative's rate of contribution shall not be decreased below the rate of contribution identified above.

- 5. Effective upon the date of the introduction, employees who have greater than fifteen (15) days of sick leave accumulated shall cease all future accrual of sick leave entitlements until such time as their total accrued sick leave entitlement is less than fifteen (15) days. Section 3 - Sick Leave

- (a) After three (3) months' continuous employment, employees shall acquire sick leave credits on the basis of one and one-quarter (1 1/4) days for each month of service. Credit for three and three-quarter (3 3/4) days' sick leave shall be granted after completion of the three (3) month waiting period. Unused sick leave credits shall be cumulative.

For Employees Hired After December 7, 2003:

- (c) The Co-operative reserves the right, in the event of application for sick leave to require a medical certificate. The cost of such medical certificate in excess of that paid for under the Saskatchewan Health Services Plan, shall be borne by the Co-operative.
- (d) Sick leave credits, up to a maximum of two (2) days per year, may be used by an employee in respect of a sickness of a spouse or dependent children and parents. Employees will be eligible for such leave provided that:
- i) The sickness is bona fide. A medical certificate may be requested.
 - ii) The sickness requires the employee to be present personally. It will be the employee's responsibility to indicate the reasons.

Section 4 - Rest Periods

Every employee shall be granted fifteen (15) minute rest periods, one in the forenoon and one in the afternoon.

Section 5 - Notice Boards

The Co-operative agrees to furnish and install notice boards in suitable locations mutually agreed upon by the parties and accessible to the employees for the purpose of posting notices of interest to the Union.

Section 6 - Severance Pay

1. In the event the Co-operative plans technological change, reorganization, department and/or plant closure, partial department and/or plant closure, or a change of methods or facilities, resulting in the reduction of jobs, the Co-operative shall give the Union a minimum of ninety (90) days' written notice of such change where ten (10) or fewer jobs are impacted. If there are more than ten (10) jobs impacted, the Co-operative shall give six (6) months' written notice of such change.
2. The notice referred to in Section 1 above shall be in writing and shall state:
 - (a) The nature of the technological change or reorganization.
 - (b) The date on which the Co-operative proposes to effect the change.
 - (c) The approximate number of classifications of employees likely to be affected by the change.
3. Any employee who is permanently laid off from the Co-operative because of technological change, reorganization, department and/or plant closure, partial department and/or plant closure or a change of methods or facilities shall be entitled to one of the following provisions:
 - (a) The employee may choose to avoid a permanent lay off by invoking bumping procedures within the bargaining unit and bump to a classification (or grade level where appropriate) that is equal to or less than the one occupied immediately prior to the introduction of the change. In this event, the employee may elect either salary maintenance for six (6) months or training sufficient to qualify the employee for another position of the employee's choice that is agreed upon by the Co-operative, the Union, and the employee in the same classification (or grade level where appropriate). Should the redundant employee elect the training option, that employee may bump the individual (provided the individual has less seniority) currently in the position for which training has now qualified the redundant employee. It is understood and agreed that the

Co-operative, the Union and the employee must mutually agree on the position for which training would be provided;

OR

accept severance pay in an amount equal to one (1) week's pay for each year of completed service up to a maximum of twenty-six (26) weeks. Severance at the above rate will also be paid to any employee whose seniority rights are forfeited under the terms of Article 8.2 (d) of this Agreement.

ARTICLE 17 – LEAVE OF ABSENCE

1. One (1) employee, elected or appointed as a full-time representative of the Union, shall be granted leave of absence without pay while so engaged with maintenance of seniority. This leave of absence shall not exceed six (6) months unless it is mutually agreed that a further six (6) months' leave can be granted. Thirty (30) calendar days' notice of application for such leave shall be given to the Co-operative.
2. If any employee is elected or appointed, as an official delegate to attend conventions, business meetings, education courses, conferences or seminars, in connection with the affairs of the Union, **they** shall with due regard for the staff requirements of the Co-operative, on giving the Co-operative at least ten (10) working days' notice, be granted leave of absence without pay, to attend such meetings or conventions. The Co-operative reserves the right to limit the number of delegates to three (3) with no more than one (1) from any one (1) department. Requests for such leave shall not be unreasonably withheld by the Co-operative.
3. By mutual agreement, employees shall be granted leave of absence with pay to attend the annual business meetings of the Co-operative Associations to which they belong.
4. Special leave of absence with pay shall be granted in case of pressing emergency. Pressing emergency shall be confined to cases of serious sickness, death or accident to the immediate family of the employee. Immediate family refers to spouse, common-law spouse, children, brother, sister, mother, father, mother-in-law, father-in-law, and children of common-law relationships of the employee. One day's paid leave of absence shall be granted to enable employees to attend the funeral of a grandparent, spouse's grandparent, sister-in-law, brother in-law, grandchild, son-in-law, daughter-in-law or step-parent.

This clause will apply only to permanent and permanent part-time employees who work twenty (20) hours or more per week on a regular basis and who have completed the hourly

equivalent of a probationary period; e.g. six (6) months equals one thousand and forty (1040) hours.

5. Leave of absence without pay for periods not longer than one day shall only be granted when mutually agreed to by the employee and the Manager concerned.
6. Leave of absence, not exceeding one year, may be granted to an employee to work in a local Co-operative to obtain retail training and experience.
7. Upon completion of two (2) years' service, an employee **may** be entitled to one (1) year's leave of absence without pay but with the maintenance of seniority rights, for the purpose of educational upgrading or training. An employee granted leave under this section may be required to remain in the service of the Co-operative for one (1) year after the completion of the leave of absence. The number of employees entitled to leave of absence may be limited to three (3) at any one time with no more than one (1) from any one (1) division.
8. Parental Leave - An employee who is currently employed and has been in the employment of the Co-operative for a total of at least thirteen (13) weeks during the fifty-two (52) weeks immediately preceding the day on which the requested leave is to commence, shall be granted a Parental Leave of Absence without pay.

The employee shall give the Co-operative a minimum of four (4) weeks' notice prior to the start of such leave (prior to the expected birth or adoption of the child). The employee shall be required to submit a certificate from a qualified medical practitioner certifying that the employee/spouse is pregnant and indicating the estimated date of birth or, in the case of adoption, submit proof of impending adoption. The employee shall give the Co-operative a minimum of four (4) weeks' notice prior to the date **they** intend to resume employment. If the employee returns to work within six (6) weeks of giving birth to the child, **they** shall be required to submit a medical certificate certifying **them** to be medically fit to work. Seniority will accumulate during Parental Leave. Benefits, including sick leave, will not accumulate or be paid during Parental Leave. The employee's benefits held before such leave shall be reinstated upon **their** return to work. The Co-operative's obligation to guarantee employment shall cease if the employee is unable to return to work within the **leave periods for maternity, parental, and adoption, as defined by the Saskatchewan Employment Act and Employment Insurance Benefits.**

Upon the completion of the Parental Leave, the employee has the right to return to **their** employment at the same rate (step) of pay, and under similar terms and conditions as before, but not necessarily the same job.

9. The maintenance of employee benefit plans during a leave of absence in excess of two (2) weeks, for which there is no pay, shall be conditional upon bylaws of the plans concerned and upon payment of the full cost by the employee.

- 10. The Co-operative will recognize a Union negotiating committee with a maximum of **three (3)** employees who shall be granted leave of absence for the purpose of collective bargaining with the Co-operative. In selecting such a negotiating committee, the Union shall have due regard for the staffing requirements of the Co-operative. One (1) member of the committee shall suffer no loss of pay for time spent in negotiations with the Co-operative. Leave of absence for bargaining for the other committee member shall be provided without pay.

ARTICLE 18 – STATUTORY HOLIDAYS

- 1. The following days shall be observed as holidays, without deduction of pay therefore:

New Year's Day	National Day for truth and Reconciliation
Family Day	Labour Day
Good Friday	Thanksgiving Day
Victoria Day	Remembrance Day
Canada Day	Christmas Day
Saskatchewan Day	

and any other Civic or Provincial or nationally-proclaimed holidays. For the purpose of this Agreement, Boxing Day shall be considered a Statutory Holiday.

- 2. The above holidays shall be observed on days other than calendar date when so proclaimed by the Federal, Provincial or Civic authorities.

When a statutory holiday falls on a weekend, the employer shall have the discretion to split the observation of the holiday to, the Friday before the holiday or the Monday following the holiday.

When an employee works on a holiday, other than a Civic holiday, **they** shall be paid one (1) day's pay at **their** regular rate of wages, and in addition one and one-half (1½) times **their** regular rate of wages for every hour or part of an hour during which **they** work on such holidays.
- 4. An employee required to work on a Civic holiday shall be entitled to an equivalent leave of absence with pay in lieu of said holiday. Such leave shall be arranged by mutual agreement between the employee and the Co-operative provided that, if such equivalent leave of absence with pay cannot be granted or secured within thirty (30) calendar days following said holiday, such employee shall be paid at double the regular rate for the time worked on the holiday.
- 5. Every employee shall be guaranteed one (1) day's rest in seven (7).

6. Where a holiday falls on an employee's regularly assigned day of rest and **they do** not work on such day of rest, the following day will be observed as the paid holiday. In a five (5) day week, the day of rest referred to is the second day off.

Should any holiday fall on an employee's scheduled day off other than **their** day of rest, the Co-operative shall have the option of granting eight (8) hours additional pay or a day off with pay. In the latter event, the day off shall be mutually agreed between the Co-operative and the employee within thirty (30) calendar days following the holiday.

ARTICLE 19 – ANNUAL VACATION

1.  - (g) In the event of an employee being entitled to more than three (3) weeks vacation, the Co-operative shall have the right to schedule such additional vacation outside of the normal vacation period.

- (h) If an employee is absent without pay for a period in excess of two (2) weeks in any qualified period, **their** vacation pay shall be computed on the basis of 3/52, 1/13, 5/52, 3/26, or 7/52 (whichever is applicable).
3. Employees shall, upon request, receive their vacation pay on a date not less than one (1) working day previous to the date on which their vacations are scheduled to start.
 4. If the employment of an employee is terminated, the Co-operative shall forthwith pay to **them**, in addition to all other amounts due **them**, the applicable fraction (3/52, 1/13, 5/52, 3/26, or 7/52) of the total wages earned by **them** during the entire period of **their** employment, but if the employee has been permitted to take an annual vacation at any time during the course of **their** employment, the Co-operative is required to pay **them** only the applicable fraction (3/52, 1/13, 5/52, 3/26, or 7/52) of the total wages earned by **them** after the date on which **they** become entitled to the last annual vacation which **they were** permitted to take.
 5. Where a holiday falls within an employee's annual vacation, such employee shall be granted an additional day's vacation or pay in lieu of the additional day.
 6. Vacation schedules shall be prepared in advance by the employees on a departmental basis, approved by the Co-operative and posted by the Co-operative in places accessible to the employees.
 7. If an employee is ill or injured during a scheduled vacation, the employee may elect to go on sick leave, in which case the balance of the vacation will be rescheduled. The above will apply from and including the first day of illness or accident, if the employee is hospitalized, or if the employee is ill or disabled for three (3) days or more, but is not hospitalized. The Co-operative may request a medical certificate as proof of illness or accident.

ARTICLE 20 - SAFETY AND HEALTH

1. The Co-operative shall make reasonable provisions for the safety and health of its employees during working hours. The Union may, from time to time, bring to the attention of the Co-operative recommendations for improvements in conditions of work and these recommendations shall be the subject of negotiations between the Co-operative and the Union.
2. The Co-operative and the Union agree to co-ordinate their efforts in the administration of the Co-operative's policy on the treatment of alcoholism/chemical dependency as an illness.
3. The Co-operative and the Union agree to the establishment of Occupational Health and Safety Committees comprised of equal representation from the Co-operative and the employees in accordance with the Occupational Health and Safety Regulations.

4. In the event an employee becomes incapable of performing their regular duties due to injury, illness or advancing years, the Co-operative and the Union mutually agree to discuss and consider possible accommodation. The parties agree to the concept of “alternate/modified” duties for the purpose of accommodating employees.

ARTICLE 21 - CLASSIFICATIONS, WAGE RATES AND HOURS OF WORK

1. Job classification and wage rates for such classifications, shall be set out in Schedules A and B, annexed to and forming part of this Agreement. All employees shall be given the rates of pay within the ranges as specified in the schedules attached to this Agreement according to their classifications.
2. Jobs will be reviewed and classified by the Human Resources Department when necessary. Due to significant changes in duties, any employee may request a review of **their** job within the year. The request for a review shall be accompanied by a completed job questionnaire. The results will be made known and discussed with the employee within two (2) months from the date of such formal request. It is agreed that job reclassification will not be used as a means of general salary reduction. Any analysis, if disputed, shall be subject to Section 2 of Article 14 - Grievance Procedure.
3. When an employee's job is reclassified upwards, **they** shall be paid at an increment step in the new wage range which is higher than **their** present wage. In the case where an employee's job is reclassified upwards and there is no significant change in duties, **they** shall be paid at an increment step of the new range corresponding to the increment step of the range of the classification the employee was paid at just prior to reclassification. If an employee is reclassified upwards, any wage adjustment shall take effect on the first day in the next pay period following the date when the review was last requested. If re-classed downwards, the employee will be moved as soon as possible, if qualified, to a job equal to **their** previous level. If **they are** not moved in six (6) months, or has not exercised **their** seniority rights to obtain another position, merit and ability being sufficient to handle the job, **their** salary will be reduced to the top of the range of the new level.
4. Applicable rates of pay thereto, for any new classifications or new positions that may hereafter be established, shall be subject to negotiation and agreement between the Co-operative and the Union, before the position is posted, and the provisions of Article 9 with respect to the filling of such positions shall apply, a supplementary agreement in writing to be executed in respect of any such positions, a copy to be sent to the Union. However, in the event that the parties are unable to agree upon the rates of pay to be established, the Co-operative may set a temporary rate pending final settlement through the Grievance Procedure provided in Articles 14 and 15 of this Agreement.
5. The regular hours of work shall be considered to be forty (40) hours per week consisting of five (5) consecutive days of eight (8) hours each from Monday to Friday, except for personnel of departments who work on a shift or rotating shift basis.

ARTICLE 22 - OVERTIME

1. All hours worked in excess of the regular hours of work as set out in Section 5 of Article 21, or as agreed to later by negotiations shall be considered overtime and shall be paid at the rate of time and one-half (1½ x) for the first three (3) hours each day and double time (2x) thereafter.

When employees are required to travel, the matter of overtime shall be subject to mutual agreement between the Department Manager concerned and the Union Committee.

2. It is recognized that overtime is at times essential and except in cases of pressing emergency, employees requested to work overtime will be given two (2) hours' notice. **If there are not enough volunteers to perform the required overtime, overtime shall be assigned in reverse order of seniority provided they have the certification (if required), skills and ability to perform the work.**
3. An employee who is not advised prior to leaving work and is called back to work, not continuous with **their** regular working hours, either before or after, shall receive not less than three (3) hours pay at the overtime rate.
4. Any employee who reports for work but who for reason of some breakdown in the plant or for weather conditions is dismissed for the day shall receive pay for not less than one (1) day at **their** normal rate. **Employees must be available to return to work, during their regular scheduled hours, if required.**
5. Employees shall not be required to suspend work during their regular working hours to avoid payment of overtime.
6. An employee who is required to work more than two (2) hours after the end of **their** regular daily shift will be provided with a twelve (\$12.00) dollar meal allowance. Effective Monday January 29, 2018 the meal allowance will be increased to thirteen (\$13.00) dollars.

A fifteen (15) minute paid meal period will be given for overtime assignments which are scheduled to exceed two (2) hours.

An additional fifteen (15) minute rest period will be granted provided the overtime assignment exceeds four (4) hours.

7. An employee may choose to bank overtime at overtime rates, **to a maximum of forty (40) hours per year.** The banked time off will be taken at a time mutually agreed upon between the Co-operative and the employee and any unused credits shall be paid out in full by October 31 of each year.

ARTICLE 23 - PAYMENT OF WAGES

1. Pay shall be in accordance with the attached schedule. No employee shall suffer loss of pay upon being promoted to a higher range.
2. Notwithstanding anything in this Agreement to the contrary, any employee now receiving a higher rate than is called for under the terms of this Agreement shall not have such rate reduced during the term of this Agreement.
3. Any employee required to fill temporarily for two (2) consecutive working days or more, a job paying a higher range of pay shall receive not less than ten dollars (\$10.00) per day and twelve dollars & fifty cents per day (\$12.50) effective Monday January 29, 2018, in addition to **their** regular pay, provided this would not exceed the top of the higher range, in which case **they** would receive in addition only the difference between **their** regular rate and the top of the higher range. If required temporarily to fill a job paying a lower range of pay, **their** regular range of pay shall not be changed.

An employee required to fill in when the immediate Management Supervisor is absent for two (2) consecutive working days or more, shall be paid extra pay at the rate of fifteen dollars (\$15.00) per day and seventeen dollars & fifty cents per day (\$17.50) effective Monday January 29, 2018.

4. Employees shall receive wage increases and increments as set out in Schedule B of this Agreement, unless in the opinion of the Co-operative and the Union such increments are not warranted. Increase dates shall be calculated from the pay period's first day closest to the date an employee assumes a position.
5. The Co-operative shall submit to each employee, on each pay day, an itemized statement of wages indicating rate of pay, specific deductions, overtime, etc.
6. Where a male employee is replaced by a female employee the principle of equal pay for equal work shall apply, regardless of age.
7. (a) The rates of pay upon hiring shall normally be at the minimum of the salary ranges. Notwithstanding the above, the Co-operative may approve a higher rate:
 - (i) where the relevant competencies and qualifications of a selected applicant exceed the recruitment requirements for the position; or
 - (ii) for occupations where market reasons warrant, as determined by the Co-operative.
- (b) When the Co-operative approves a salary rate above the minimum pursuant to the above, they will provide to the Union the rate at which it has given such approval and an outline of the qualifications of the person appointed.

- (i) Any employee working in the same occupation and classification level, with the same duties and responsibilities that is being paid at a lower rate in the range, may challenge the appointment. The employee must possess the qualifications equivalent to those of the employee appointed higher in the salary range, and within thirty (30) days, request that the Company review their qualifications and salary. If as a result of review, a salary adjustment is considered to be warranted, the Co-operative shall so authorize.
- (iii) When market reasons warrant a higher salary rate the Co-operative shall review the qualifications of employees in the same occupation and classification level, with the same duties and responsibilities as the person appointed, and, where necessary, adjust their salary.
- (c) In applying the above provisions, both parties agree that:
 - (i) there will be no retroactive monetary adjustment as a result of a review; and
 - (ii) future hires will be evaluated on their relevant competence and qualifications.

ARTICLE 24 - JURY AND WITNESS DUTY

Employees summoned to jury duty or subpoenaed as a witness shall be paid wages amounting to the difference between the amount paid them for jury or witness service and the amount they would have earned had they worked on such days. This does not apply if the employee is excused from jury or witness duty for the rest of that day or days and does not report back to work, or if the jury or witness duty occurs on the employee's scheduled day off. This Article does not apply in situations where the employee serves as a witness before the Labour Relations Board.

ARTICLE 25 – UNION REPRESENTATIVE VISITS

An authorized Representative or Executive Officer of the Union shall be permitted, after notifying the **Department Manager**, to talk with an employee regarding Union matters during regular working hours. The interview of such employee by the Union Representative or Executive Officer shall be carried on in a place provided for and designated by the Co-operative. Time taken for such an interview in excess of five (5) minutes shall not be on Co-operative time.

ARTICLE 26 - DURATION OF AGREEMENT

This Agreement shall be effective November 1, **2021**, and shall remain in effect until October 31, **2025**, and thereafter from year to year, but either party may, not less than sixty (60) days or more than one hundred and twenty (120) days before the expiry date of such Agreement, give notice in writing to the other party to terminate such Agreement or to negotiate a revision thereof, provisions of which shall be forwarded not later than seven (7) days prior to the termination date of such Agreement, and thereupon the Co-operative and the Union agree to forthwith bargain

FLEXIBILITY IN WORK HOURS

- a) All such changes must be approved by the Department Manager.

Ongoing

In the event an individual or group of employees wish to enter into a modified work schedule arrangement:

- a) The Co-operative may, at its discretion, choose to agree to an arrangement that meets all parties' needs. The Parties agree that customer service and productivity shall not be adversely affected as a result of any flex-time arrangement and that the Co-operative retains the right to revert back to standard work schedules;
