- 7.03

- 7.04
1. Part-time employees, scheduled or called in, and who report for work, shall, if required to work less than four (4) hours, receive four (4) hours' pay at their regular hourly rate.

 - a) the call-in does not generate overtime;
 - b) the call-in does not generate a sixth (6th) shift;
 - c) the call-in would be given to employees who are not working on that day.
 3. It is understood that in addition to call-ins as a result of unscheduled absences of employees, from time to time, call-ins or shift cancellations are required. The parties agree that such call-ins or cancellations shall not be used to evade the terms of this Agreement.
 4. Requests for time off after the schedule has been posted will be considered based on an assessment of the needs of the business as determined by the Co-operative.
 5. The parties also agree that the legislation relating to posting and changes of the schedule do not apply to this Collective Agreement as a result of this agreement on scheduling and call-ins being superior to the legislation.
 6. It is understood that a call-in will not result in a change of the called-in

employee's schedule nor result in a change of another employee's schedule who may be above or below the employee on the seniority list. Any unscheduled absence of more than two (2) days will be filled in accordance with 7.03(1).

7.05 All hours worked over those as outlined in Article 7.01(1) shall be considered as overtime hours and shall be paid for at the rate of time and one-half (1 ½) for the first three (3) hours' overtime worked in any one (1) day.

It is understood that in the event sufficient employees do not volunteer for work on Sunday, the Co-operative will have the option of either scheduling regular employees to do the work in reverse order of seniority or hiring new employees to work on Sunday. It is agreed that (b) above will not stop the Co-operative from scheduling either Saturday/Sunday or Sunday/Monday as consecutive days of rest.

Notwithstanding (c) above, the Co-operative will endeavor to schedule full-time employees no more than one (1) Sunday in every four (4). However, if required for the efficient operation of the business, full-time employees hired or appointed as full-time employees after May 11, 1999, may be scheduled two (2) Sundays in four (4). In such event, they will receive two (2) consecutive days of rest in that week.
 - (d) Part-time employees may be required to work no more than one (1) Sunday in four (4) irrespective of their availability. This does not prevent an employee who wishes to work more than one (1) Sunday in four (4) from requesting same. Part-time employees hired after May 11, 1999 may be required to work no more than two (2) Sundays in four (4).

- 7.07
1. The Co-operative agrees to schedule employees who work twenty (20) hours or more per week, two (2) consecutive days of rest each week – one (1) of which shall be **Saturday or Sunday, whenever possible.**
 2. Part-time employees who qualify for two (2) consecutive days of rest may waive this right by indicating to the Co-operative in writing during the first week of September, January and May that they do not wish to be scheduled two (2) consecutive days of rest. A copy of the employee's option will be given to the Union.
 3. In the event the law changes or is rescinded with respect to consecutive days of rest legislation, this Article 7.07 becomes null and void and the Co-operative agrees to meet with the Union to negotiate the issue.

7.08 All overtime shall be voluntary and shall be performed only after authorization by the Co-operative.

7.09 In the event that overtime is scheduled, the senior employee in the classification and department who normally performs the work to be done shall be given first opportunity to work such overtime.

In the event of authorized unscheduled overtime, the senior employee in the classification and department already at work who normally performs the work to be done shall be given first opportunity to work such overtime.

In either example should no persons in that classification and department be willing to work the overtime, such overtime will be offered to qualified employees in the store in order of seniority.

7.13 Premium Pay

Premium pay (excluding Sunday Shopping premium) shall not apply on overtime hours.

7.14 Part-Time Availability

The following provisions shall apply to the availability of part-time employees:

1. Part-time employees will submit to the Co-operative an individual written declaration of availability for work on a form supplied by the Co-operative with a copy to the Union **upon request**. Newly hired employees will make an initial declaration at the date of hire.
2. The declaration shall provide that an employee must be available to work at least two (2) shifts per week, **which shall include Saturday and Sunday. All part-time employees must be available up until the closing time of the department. A shift is defined as shifts that fall within times that are regularly scheduled by the Co-operative.**
3. **Part-time employees shall have the right to change their availability, in accordance with Article 7.14.2, up to four (4) times per calendar year. Part-time employees changing their availability will provide the new availability form to their Department Manager a minimum of one (1) month prior to the change taking effect.**
4. Subject to the hours of work provisions of the Collective Agreement, employees must be available to be scheduled for work during unrestricted hours.
5. Failure to be available for scheduled hours (not including call-ins, sickness, leaves of absence or time off for vacations) shall cause the employee to be regarded as having voluntarily terminated **their employment**, provided an employee can request an occasional unrestricted day off if approved by the Store Manager or their designate. Requested days off shall not be unreasonably withheld.
6. Restriction of availability shall not in any way interfere with an employee's right to **apply for full-time employment under the terms of the Agreement, if successful the full-time articles regarding availability shall apply.**

7. Any full-time employee reduced to part-time would be entitled to restrict in accordance with these provisions. Any Courtesy Clerk employee promoted to regular part-time will be entitled to alter their restriction in accordance with these provisions.

Where the combined temperature exceeds -39°C for a minimum of four (4) continuous hours during said shift, the employee shall receive the Cold Weather Premium for all hours worked during that shift.** Temperature shall be measured at the Saskatoon Airport by Environment Canada. **Effective date of ratification (2023), the premium will be increased to sixty (\$0.60) cents. Effective June 25, 2023, the premium will be increased to sixty-five (\$0.65) cents. Effective June 23, 2024, the premium will be increased to seventy (\$0.70) cents. Effective June 22, 2025, the premium will be increased to seventy-five (\$0.75) cents.”**

5. It is the Co-operative’s intention to schedule rest periods so that no employee shall work more than three (3) consecutive hours without a rest period or lunch break. The parties recognize that rest periods and lunch breaks may be delayed due to unexpected business fluctuations.

- 8.02 If an employee is required to work overtime after an eight (8) hour assignment and a meal period of thirty (30) minutes' duration is not scheduled then the employee will be scheduled a fifteen (15) minute rest period, with pay, within one-half (1/2) hour of the end of the first assignment, providing the overtime is for two (2) hours or more.

1. Work performed on statutory holidays will be offered (first to full-time then to part-time) to the most senior employees in the department and job classification who have volunteered to perform the work.
 2. In order to identify volunteers, a notice will be posted in each store in each department. The notice will identify the holiday on which work is offered and will have a signing sheet attached. Those wishing to volunteer will sign the sheet. The above notice will be posted for a one (1) week period, two (2) weeks prior to the week in which the holiday occurs.

Such employee shall be allowed time off for vacation purposes without pay to a maximum of two (2) weeks during the period May 1st to October 31st, inclusive, unless otherwise mutually agreed to between the employee and the Co-operative.
- 11.02 Any employee after one (1) year's continuous full-time service by May 1st shall receive three (3) weeks' vacation at their regular rate of pay and shall take such vacation during the period from May 1st to September 30th unless otherwise mutually agreed upon between the Co-operative and the employee.
- 11.03 Any employee with eight (8) or more years of continuous full-time service by May 1st shall receive four (4) weeks' vacation with pay at their regular rate of pay, two (2) of which shall be scheduled during the established vacation period, the other two (2) weeks to be established at a time subject to the discretion of the Co-operative.
- 11.04 Any employee with thirteen (13) years or more of continuous full-time service by May 1st shall receive five (5) weeks' vacation with pay at their regular rate of pay, two (2) of which shall be scheduled during the established vacation period, the other three (3) weeks to be established at a time subject to the discretion of the Co-operative.

- 11.05 Any employee with eighteen (18) years or more of continuous full-time service by May 1st shall receive six (6) weeks' vacation with pay at their regular rate of pay, two (2) weeks of which shall be scheduled during the established vacation period, the other four (4) weeks to be established at a time subject to the discretion of the Co-operative.
- 11.06 Any employee with twenty-three (23) years or more of continuous full-time service by May 1st shall receive seven (7) weeks' vacation with pay at their regular rate of pay, two (2) weeks of which shall be scheduled during the established vacation period, the other five (5) weeks to be established at a time subject to the discretion of the Co-operative.
- 11.07 Should an employee be absent from work in excess of three (3) months in any qualifying year, except for illness and injury, their vacation entitlement will be calculated at 3/52, 4/52, 5/52, 6/52, or 7/52, subject to the employee's continuous full-time service. Instances of illness and injury shall be considered for vacation entitlement for a period not to exceed twelve (12) months from the commencement of the continuous absence.

After twelve (12) months from the onset of any absence due to illness or injury, an employee absent a total of 960 hours or more (not to include vacations or Statutory Holidays) in any subsequent qualifying year will have their vacation calculated at 3/52nds, 4/52nds, 5/52nds, 6/52nds or 7/52nds subject to the employee's continuous full-time service.

After twenty-four (24) months from the onset of any absence due to illness or injury, an employee absent a total of 400 hours or more (not to include vacations or Statutory Holidays) in any subsequent qualifying year will have their vacation calculated at 3/52nds, 4/52nds, 5/52nds, 6/52nds or 7/52nds subject to the employee's continuous full-time service.

- 11.08 An employee who applies and qualifies for Long Term Disability payment for illness or accident while on vacation may receive the balance of the vacation affected at a mutually agreed upon time.
- 11.09 Notwithstanding the foregoing provisions, the Co-operative and an employee may agree to either three (3), four (4), five (5), six (6), or seven (7) weeks' consecutive vacation providing such vacation is taken outside the period May 1st to September 30th.
- 11.10 When a holiday occurs during an employee's vacation, an extra day's vacation consecutive with the regular vacation shall be granted if the holiday is one for which the employee would have received pay had the employee been working. However, if granting such additional day consecutive with the regular vacation will hamper operations or interfere with the arrangement of the vacation schedule, the employee shall be entitled to either another day off with pay within thirty (30) days of the date of the holiday or an extra day's pay.

- 11.11 A vacation list shall be submitted to the employees requesting them to indicate their preference as to vacation dates. Employees with the longest service with the Co-operative will have priority, however, both parties agree that the vacation schedule must be practical insofar as the operation of the business is concerned. The Co-operative, therefore, must make the final decision in such matters.

Employees, on the basis of seniority, shall select their vacation time subject to the following. Each request shall be decided on the basis of whether or not it is practical with consideration given to provide for the efficient operation of the store.

1. Full-time employees shall be given preference in scheduling vacations.
2. Part-time employees who desire time off for vacations shall exercise their seniority to receive vacations over other part-time employees.
3. Employees are entitled to receive two (2) weeks of vacation during the period of May 1st to September 30th. These weeks may be scheduled consecutively.
4. Employees may receive their additional weeks of vacation consecutively provided they are taking them outside the period of May 1st to September 30th.
5. Employees will be given an opportunity to indicate a preference for up to two (2) weeks in prime time (May 1st to September 30th) between January 1st and February 15th.
6. After February 15th and before April 1st of each year, employees may indicate a preference for their remaining vacation period. Provided there is a vacant place in the vacation schedule after all selections have been made by all employees based on seniority, any employee may elect and may receive more than two (2) weeks in the prime vacation period.
7. After April 1st employees may without regard to seniority and on a first come, first served basis indicate a preference for vacation period within the remaining available weeks.
8. The Co-operative will post the finalized vacation schedule by April 15th of each year.
9. Once a vacation schedule has been agreed upon then there shall be no changes except by mutual agreement between the employee and the Co-operative. It is understood that in the case of employee transfers into a store or emergency and replacement help is not available making the vacation schedule inoperable, the schedule may be adjusted by the Co-operative. In

adjusting the vacation schedule to make it operable, consideration shall be given to both seniority of and fairness to the impacted employees.

10. As far as it is practical, the Co-operative agrees to schedule employees for vacations at a period of time when they request time off providing it does not affect the efficient operation of the store. The Union reserves the right to discuss an employee's vacation schedule which, in the opinion of the Union, has not been granted on a fair basis with consideration given to the efficient operation of the store. Should local management not agree with the Union's position then the Union may discuss the matter with the Co-operative's Human Resources Department.
 11. The Co-operative agrees that weeks will not be "blacked out" on the vacation schedule and an employee may (subject to the terms above) request any week in the year. The Co-operative agrees to identify on the planner those high volume/high demand weeks that will be very difficult for an employee to be granted if requested. An employee will be allowed to reserve a week for a high volume week request. Such request will be ruled on at the discretion of the Co-operative but no later than six (6) weeks prior to the requested event. If the final decision of the Co-operative is negative, the reserved week will be scheduled within two (2) weeks of the decision.
- 11.12 Effective October 20, 1980, part-time employees proceeding to full-time employment after one (1) year's full-time employment will be credited with the number of hours accumulated during the employee's continuous service with the Co-operative as a part-time employee, and provided the employee's service is continuous from part-time to full-time. The credited hours will be balanced with the annual hours of a regular full-time employee to establish the appropriate credit due the employee which will then be applied to Article 11.03, 11.04, 11.05, and 11.06.
 - 11.13 If the employment of a regular full-time employee is terminated and such employee is entitled to four (4), five (5), six (6) or seven (7) weeks' vacation with pay, such employee shall receive pay in lieu of vacation calculated at the rate of 4/52, 5/52, 6/52 or 7/52 respectively, as the case may be, of their total earnings from the date the employee became entitled to their last annual vacation to the date of the employee's termination.
 - 11.14 Full time employees shall receive their vacation pay as part of their regular payroll cycle.
 - 11.15 Vacation entitlement must be taken during the vacation year (May 1st to April 30th) and shall not be carried over to the next calendar year.

Part-time Employees

11.16 Part-time employees shall receive **vacation pay on each pay cheque**. Vacation pay **shall be** based on their previous year's earnings, the vacation year shall be **May 1st to April 30 of each year**.

Less than eight (8) years' continuous part-time service - 6%

Eight (8) years or more of continuous part-time service - 8%

Thirteen (13) years or more of continuous part-time service - 10%

Eighteen (18) years or more of continuous part-time service - 12%

Twenty-three (23) years or more of continuous part-time service - 14%

11.17 If the employment of a part-time employee is terminated at any time from the commencement of their employment, the Co-operative shall pay to the employee, in addition to all other amounts due to them, vacation pay consistent with 11.16 for the period for which no vacation pay has been paid.

ARTICLE 12 - Seniority, Promotions, Layoffs, and Rehiring

- 12.01
1. Full-time seniority is defined as the length of an employee's continuous full-time service with the Co-operative.
 2. Part-time seniority will be defined as an employee's continuous length of service with the Co-operative.
 3. Seniority may be acquired and exercised only within and in accordance with the Collective Agreement.
 4. New employees shall be on probation for four hundred and fifty-six (456) hours worked in a period not to exceed 6 working months. The 456-hour period will also be applied to Courtesy Clerks who are appointed to a regular part-time position. In such case, the period will be a trial period during which the employee may be reverted to their former position as a result of performance issues at the discretion of the Co-operative.
 5. An employee who is transferred or promoted out of the scope of this Collective Agreement who subsequently returns within six (6) weeks to a position covered by this Agreement shall be credited only with seniority acquired while covered by this Agreement provided the employee has continuous service with the Co-operative.

6. Full-time and part-time seniority lists shall be provided in January and July of each year, with a copy to the Union. **The Union may request up to two (2) additional seniority lists per year.**
7. When two (2) or more part-time employees are hired on the same day, the Co-operative will rank employees as determined by Management prior to the completion of the probationary period. The ranking of employees with the same seniority date shall be shown by a numerical designation beside the employee's applicable seniority date.

12.02 Seniority of an employee shall be considered broken and services terminated if an employee:

1. voluntarily leaves the service of the Co-operative;
2. is dismissed for cause and not reinstated;
3. fails to report back to work when recalled after layoff within two (2) or up to seven (7) days unless for legitimate reasons such as provable illness, travelling time, or an obligation to give notice to another employer. A regular full-time employee who has been laid off continuously for a period of more than six (6) months shall be considered terminated and entitled to the provisions as set out in Article 12.08 or 12.09 as is applicable;
4. is absent from work without a written leave of absence or fails to return to work upon the completion of an authorized leave of absence unless a reason satisfactory to management is given by the employee.
5. **is absent for three (3) consecutive shifts without any reasonable notice or excuse.**

12.03 Full-time or part-time seniority as defined in 12.01 above shall govern in case of reduction to part-time, layoff and recall, providing the employee involved has the qualifications and ability to handle the work to be performed in a competent manner. In instances of a full-time employee reduced to part-time, the Co-operative shall grant the affected employee(s) two (2) weeks' notice of such reduction occurring.

It is agreed that a reduction in hours of work for part-time employees (scheduled or actual) shall not be considered a layoff or otherwise trigger this section, except as per *The Saskatchewan Employment Act*.

Employees regularly working full-time, recalled within twelve (12) months of their layoff or reduction to part-time by the Co-operative shall retain their previous length of full-time service.

- 12.04 The Co-operative will not reduce the regular scheduled hours of a full-time employee in the store for the purpose of replacing the full-time employee's hours with part-time employees in the store.
- 12.05 When a full-time employee is reduced to part-time by the Co-operative, the last full-time employee reduced will be the first person returned to full-time provided the employee involved has the qualifications and ability to handle the work to be performed in a competent manner.
- 12.06 For the purpose of administering scheduling, full-time employees reduced to part-time by the Co-operative will be placed at the top of the part-time seniority list within the store, department and job classification based on their full-time seniority.
- 12.07 In the event an employee's job becomes redundant and that employee has been given, by the Co-operative, the option of either remaining in the department as a part-time employee in their current classification or moving to another classification and department to attempt to remain full-time then when comparing the seniority of competing full-time employees, total Co-operative service will be the deciding factor. This means that, for example, if a Baker has more full-time seniority but less total service than a full-time Grocery Clerk, the Baker will be unable to displace that full-time Grocery Clerk.
- 12.08 In the event of discharge, except for just cause, or layoff of an employee who has been employed for at least three (3) continuous months, the Co-operative shall give the affected employee(s) notice or pay in lieu of notice as follows:
 1. one (1) week's written notice where the employee's period of employment is less than one (1) year;
 2. two (2) weeks' written notice where the employee's period of employment is one (1) year or more, but less than three (3) years;
 3. four (4) weeks' written notice where the employee's period of employment is three (3) or more years, but less than five (5) years;
 4. six (6) weeks' written notice where the employee's period of employment is five (5) years, but less than ten (10) years;
 5. eight (8) weeks' written notice where the employee's period of employment is ten (10) years or more.
- 12.09 Full-time employees terminated due to the closing of a store or department shall, if they have been employed for one (1) year or more, be paid one (1) week's

severance pay at their regular rate for each year of service to a maximum of fifteen (15) weeks' severance pay. In such cases, the provisions of 12.08 shall not apply.

- 12.10 No regular part-time employee shall have their hours reduced when a casual employee is working hours that could be worked by the part-time employee, in which event the casual employee shall have their hours reduced.
- 12.11 When an employee works forty (40) hours per week for thirteen (13) consecutive weeks, it shall be determined that a full-time position has been created, except for relief for absences due to illness, injury or leave of absence and the position will be filled in accordance with and subject to Articles 12.13 and 12.14. This provision will not apply for employees hired for a specific project.
- 12.12 Promotions and vacancies not covered elsewhere in the Agreement or Letters of Understanding shall be filled on the basis of ability, qualifications and seniority. The Co-operative, in determining qualifications, ability and fitness, shall act in good faith and shall not discriminate in any manner.
- 12.13 Job Posting
1. All vacancies and new positions shall be posted on the staff bulletin boards and all employees who have completed probation shall be allowed seven (7) calendar days in which to make written application for such vacancies or new positions. Any such positions or vacancies shall be filled on the basis of seniority, merit and ability being sufficient to handle the job to be filled.

Availability may be considered by the Co-operative in cases where the employee's restrictions would seriously impact their ability to work the required hours of the vacancy.
 2. A copy of the job posting will be provided to the Union office as well as the name of the successful applicant.
 3. Employees transferred or promoted to a new position or a vacancy shall be allowed the greater of three hundred (300) hours worked or three (3) months in which to perform the duties in a satisfactory manner. If an employee does not perform the duties in a satisfactory manner or chooses not to remain, they shall revert to their former position at the rate of pay they would have received had they not moved to the new position or vacancy and further, employees who had moved into a vacancy created by the original job posting shall also revert to their previous positions. It is further understood that the three hundred (300) hour time period described above shall not exceed a period of six (6) months.

The employee may not restrict their availability during this trial period.

4. If it appears to the Co-operative that such employee is incapable of performing the duties of the position in a satisfactory manner, the employee may be required to revert to the former position before the expiration of the above-described time period.
5. In those instances in which an employee chooses to revert to their previous position within two (2) weeks, the position shall not be re-posted but shall be filled from the applicants who originally applied on the basis of seniority, merit and ability being sufficient to handle the work, unless there are no other applicants for the position or none of the other applicants have sufficient ability to handle the work.
6. Except in the case where a part-time employee applies for a full-time position, no employee can apply for a non-identical position until the expiration of twelve (12) months from the time they received their most recent promotion.
7. **Employees who have not completed their initial probation period can apply for any other position while in their initial probationary period. Subject to mutual agreement between the Co-operative and Union, a probationary employee may be allowed to accept a new role in their current location and to serve a new full probationary period, as per Article 12.01(4).**
8. If an employee moves to another classification then they will be placed on the wage scale of the new position based on the total hours worked for the Co-operative since the employee's most recent date of hire.
9. Wherever possible, training for higher-paying positions and positions created or changed due to technological change will be based on seniority, merit and ability being sufficient.
10. The Co-operative will insist on the achieving of a certificate as a prerequisite for the employee to be considered in the following areas and/or reserves the right to submit any applicant to a performance test before allowing the move:

Floral Design, Cake Decorator, Meat Cutter, **Baker**

- 12.14 The Co-operative agrees to notify the Union as far in advance as possible of the closing of any stores covered by this Agreement.

ARTICLE 13 - Union Representatives' Visits

- 13.01 An authorized Representative or Executive Officer of the Union, on their own time, shall be permitted to talk with any employee regarding Union matters during regular working hours after notifying the Human Resources Manager or, in their absence, the employee's Unit or Department Manager. All such interviews shall

be carried on in a place on the premises provided for and designated by the Co-operative. Time taken for such interviews in excess of fifteen (15) minutes shall not be on Co-operative time.

It is understood that the maximum of two (2) employees will not be taken from the same department.
2. A maximum of three (3) employees will be granted time off, without pay, to attend a Labour Convention or any other Union business of less than one (1) week's duration. It is further agreed that the number of employees be limited to a maximum of one (1) per department. The departments shall be as defined in Article 7.03 (2). Such request shall detail the reason for the leave of absence and be submitted in writing to **their Department Manager** a minimum of four (4) weeks prior to the commencement of the requested leave. **Approval of the requested leave will be based upon the Co-operative's policy. The employee will be notified of the status of their request in a timely manner.** The four (4) week time limit may be waived in emergency situations.
- 14.03 The parties agree to comply with the Saskatchewan Employment Act as it applies to Maternity/Parental/Adoption Leave. The parties further agree to develop an exhibit to be attached to the Collective Agreement outlining the Maternity/Parental/Adoption Leave issue, however, such exhibit is not part of the Agreement. Any dispute on such leave must be taken up under the terms of the Saskatchewan Employment Act and is subject to the grievance and arbitration sections of this Agreement.

- 14.04 Upon completion of two (2) years' service, an employee shall be entitled to one (1) year's leave of absence, without pay, but with the maintenance of seniority rights, for the purpose of educational upgrading or training. The Chief Shop Steward may attend at no cost to the Co-operative and only if they are off duty or can be released from duty by the home department.

It is the intent of the Co-operative that notice of the meeting will be provided on a reasonably practical basis.
